About the things he has to sell
Will never reap a crop of dollars

Courier-Journal's Tribute to J. B. Atkinson.

John B. Atkinson, who died at Wrightstown, N. J., Thursday afternoon, has been connected with the coal mining interests of Kentucky for nearly forty years. In that time from a comparatively small beginning, he had built up a corporation which for many years has been the leading coal and coke producing company in the state, operating nine mines, employing several thousand men and mining more than half the entire output of the chief coal producing county in the state.

Such a record of accomplishment betokens uncommon executive ability. In all the years of Mr. Atkinson's management of his company there was remarkable freedom from labor troubles. He operated his mines with non-union men, but there has been but one strike of any importance in the company's history, and several efforts by union labor leaders to organize the mine were unsuccessful. It has been said of Mr. Atkinson that he was never too busy to listen to any personal grievance or to the smallest affairs of his humblest employee and to give freely of his time and advice to counsel and to remedy. His influence was paramount with his associates and employees and they were faithful to his interest—or what he conceived to be the interest of his company.

Mr. Atkinson's activities were largely responsible for the extensive mineral development in Hopkins county, adding greatly to the wealth and prosperity of the region where he operated and, incidentally, to the industrial development and commercial progress of the state. A Kentuckian by adoption he became strongly interested in the state's resources and was identified with many improvements for their advertisement and exploitation. His ultimate connection with the organization for the display of Kentucky products at several of the great national and international expositions that have been held in the past twenty years should be remembered

gratefully by the citizens of the state. He was a believer in conservation and he was one of the few practical conservationists in this section of the United States. He was an authority on forestry and his experiments in that direction have attracted much attention. He planted millions of trees in Hopkins county in anticipation of the time when they would be needed to take the place of a vanishing timber supply, and in twenty years of active forestry operation he transformed and beautified vast tracks of land that had been denuded of trees and had become literally "the waste places of the earth."

The death of a man so able, so resourceful and so public spirited is a distinct loss to the state wherein so much of his talent and energy has been exercised to such splendid purpose.

A Fierce Night Alarm

Is the hoarse, starting cough of a child, suddenly attacked by croup. Often it aroused Lewis Chamblin, of Manchester, O. (R. R. No. 2) for their four children were greatly subject to croup. "Sometimes in severe attacks," he wrote, "we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup and coughs, colds or any throat or lung trouble." So do thousands of others. So may you. Asthma, Hay Fever, La Grippe, Whooping Cough, Hemorrhages fly before it. 50c and \$1.00. Trial bottle free. Sold by all Druggists.

WOMAN TELLS STORY OF INTENSE SUFFERING

At the age of about 40 years, I was attacked with hemorrhage of the kidneys or bladder which continued for several years without a check. I finally took advantage of your generous offer and procured a sample bottle of Swamp-Root. Believing it helped me, I purchased a fifty-cent bottle, which convinced me that it was helping me. Three other bottles cured me. In two or three years, over-work brought my ailment back, but one bottle stopped it.

I feel as if I owe my life to you for the great blessing Dr. Kilmer's Swamp-Root has been to me. I recommend it to all human beings suffering as I was. You have my permission to publish this letter and if any person doubts it, if they will write me, enclosing stamp, I will give full particulars.

Yours very truly,
MRS. T. B. PHELPS,

Rocky, Ark.

Personally appeared before me this 31st day of August, 1909, Mrs. T. B. Phelps, who subscribed the above statement and made oath that the same is true in substance and in fact.

Attacks School Principal

A severe attack on school principal, Chas. B. Allan, of Sylvania, Ga., is thus told by him. All remedies failed till I used Electric Bitters, but four bottles of this wonderful remedy cured me completely." Such results are common. Thousands bless them for curing stomach trouble, female complaints, kidney disorders, biliousness, and for new health and vigor. Try them. Only 50c at all Druggists.

HERBINE

For the Bowels

A Cure for Chronic Constipation, Torpid Liver
and Irregular Bowel Movements.

Constipation is the most common disorder of the bowels. It
affects both sexes and all ages but is more prevalent among
women because their duties in the household require less physical
exercise than the occupations of men; therefore women suffer
most from its baneful effect.

A constipated person is an easy victim when exposed to any
serious disease—Pneumonia, Typhoid Fever, Malaria, Rheumatism,
Small Pox, Yellow Fever and Bright's Disease gather their annual
harvest of death among those who are habitually constipated.
Even though they escape these diseases, such persons are always
ailing more or less. They have headaches, bad digestion, disor-
ders, vertigo (blind staggers), sallow complexion, flatulence, loss
of strength, and no energy at all. Herbine has a most admirable
effect in the bowels; it is cooling, purifying and regulating. It
puts a prompt check on biliousness, wind in the bowels, nervous-
ness, heartburn, bad breath, low spirits, drowsiness in the day-
time and nervous wakefulness at night.

Price 50c per Bottle.

RESOLUTIONS OF RESPECT TO THE HON. JNO. B. ATKINSON

By The Forest Chapel Baptist Church, of Mortons Gap, Ky.

Inasmuch as it has pleased Almighty God to take from our midst by death our much beloved friend and brother, Mr. John B. Atkinson. Therefore be it resolved, We bow in humble submission to Him who doeth all things for the best. In the loss of this faithful friend we can only say Gods will must be done.

Resolved, That we shall ever cherish his memory fresh in our hearts, and that the many kind deeds done for us shall never be forgotten.

Resolved, That we unite our feeble and weak efforts together and pledge our hearty support and co-operation to his successor, that the policies and plans may be carried on unimpaired and without dishonor.

Resolved, That we extend our heartfelt sympathy to the bereaved ones and say God had a need for him and called him from labor to reward.

Resolved, That a copy of these resolutions be sent to the bereaved family, a copy sent to The Earlington Bee for publication and a copy spread on the minute book of our Church.

Resolutions of Respect

Henderson, Ky., Sept. 28, 1911—The A. M. E. Zion Conference in Session, was shocked when Rev. T. H. Merriweather made the announcement, that the Hon. John B. Atkinson the great friend of the negro race had passed to the better land. The Bishop, J. S. Caldwell, appointed a committee on condolence and suitable resolutions. Many of the ministers of the conference expressed their deep felt sympathy in the death of Hon. Atkinson. The following resolutions were read and unanimously approved by the conference in Session.

Whereas, the All-wise God has seen fit to call from labor to reward the Hon. John Bond Atkinson, President of the St. Bernard Coal Co., of Earlington, Ky., and...

Whereas, in his death a great and good character has been removed who was a man with large heart filled with tenderness, mercy and love actuated by a high sense of righteousness; a humanitarian in the fullest sense of the word, an advocate of the true, the beautiful, and the good; and

Whereas, in the death of this great man the Negro race loses one of its best friends, always willing and ready to help, where help was most needed, giving freely of his aims to relieve the poor and needy, and

WOMAN ESCAPES OPERATION

Was Cured By Lydia E. Pinkham's Vegetable Compound

Elwood, Ind.—"I have been cured of my trouble by taking six bottles of Lydia E. Pinkham's Vegetable Compound. I was sick three months and could not walk. I suffered all the time. The doctors said I could not get well without an operation, for I could hardly stand the pains in my sides, especially my right one, and down my right leg. I began to feel better when I had taken only one bottle of Compound, but kept on as I was afraid to stop too soon."

Mrs. SADDIE MULLEN, 2728 N. B. St., Elwood, Ind.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion, and nervous prostration.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Mrs. Pinkham at Lynn, Mass., for advice. Your letter will be absolutely confidential, and the advice free.

A. M. E. Zion Committee which bears the name of the deceased has been dependent to a large degree for its existence upon his personal donations and his influence with the St. Bernard Coal Co. Be it

Resolved that we express our deep sense of loss in his death, but realizing that the Judge of all the earth will do right, we bow in humble submission to his will. Be it

Further Resolved that a copy of these resolutions be sent to the bereaved family as well as spread on the face of the minutes and published in all our connectional journals, The Earlington Bee, and other daily papers.

Stout Women! Get the "In-Slope"

Be Slender, Stylish and Comfortable

Here's a wonderful new corset for women who are troubled by thickness of the upper limbs—whose thin gowns show an ugly ridge of fat below the corset-skirt.

The new Lastikops-Limshaping Extensions—broad bands of semi-elastic webbing (see cut)—re-shape and reduce the upper limbs to natural size, and give a smoothly rounded contour, with the graceful in-slope that fashion requires. Two models:

No. 406—Low Bust } \$4
No. 408—High Bust }

Both have the Nemo Self-Reducing front—the only perfect abdominal support. For stout figures, also, for women of medium build we desire extreme fashionable slenderness. Sizes 20 to 36—\$4.00.
